

THE COMMAND SET

SCR-274-N Components:

BC-442	Antenna Relay
BC-450	Remote Control (for 3 receivers)
BC-451	Remote Control (for up to 4 transmitters)
BC-453	Receiver 190-550 kHz
BC-454	Receiver 3.0-6.0 MHz
BC-455	Receiver 6.0-9.1 MHz
BC-456	Modulator
BC-457	Transmitter 4.0-5.3 MHz
BC-458	Transmitter 5.3-7.0 MHz
BC-459	Transmitter 7.0-9.1 MHz
BC-473	Remote Control (for 1 receiver)
BC-496	Remote Control (for 2 receivers)
BC-696	Transmitter 3.0-4.0 MHz
BC-942	Receiver, VHF (100-156 MHz), predecessor of R-28/ARC-5
BC-946	Receiver 550 kHz - 1.5 MHz
BC-950	Transmitter, VHF (100-125 MHz), predecessor of T-23/ARC-5
DM-32	Dynamotor (to power receiver from 28 Volts DC)
DM-33	Dynamotor (to power modulator & transmitter from 28 VDC)
FT-220	Mounting Rack (for 3 receivers)
FT-221	Shock Mount (for 3 receivers)
FT-222	Mounting Plate (for 3-receiver remote control box)
FT-225	Shock Mount (for modulator)
FT-226	Mounting Rack (for 2 transmitters)
FT-227	Shock Mount (for 2 transmitters)
FT-228	Mounting Plate (for transmitter control box)
FT-229	Shock Mount (for antenna relay)
FT-230	Adapter (for remote control of receiver, plugs into lower front panel of receiver, has only a "pull-type" handle)
FT-231	Shock Mount (for 1 receiver)
FT-232	Shock Mount (for 1 transmitter)
FT-233	Mounting Rack (for 1 receiver)
FT-234	Mounting Rack (for 1 transmitter)
FT-235	Mounting Plate (for 1-receiver remote control box)
FT-240	Mounting Plate (for 2-receiver remote control box)
FT-260	Adapter (for local control of receiver, plugs into lower front panel of receiver, has headphone jack, volume control, and switch)
FT-262	Shock Mount (for 3 transmitters)
FT-264	Mounting Rack (for 4 receivers)
FT-276	Mounting Rack (for 3 transmitters)
FT-277	Mounting Rack (for 2 receivers)
FT-278	Shock Mount (for 4 receivers)
FT-279	Shock Mount (for 2 receivers)
FT-331	Mounting Rack (for 4 transmitters)
FT-332	Shock Mount (for 4 transmitters)
RC-54	Receiver Test Set (includes I-84 test unit)
RC-55	Transmitter Test Set (includes I-85 test unit and A-61-A dummy antenna)
